Re: **2020 Prescription Drug Mandatory Mail Program**

To Whom It May Concern,

The Usui International Corporation Human Resources department is issuing this memo to confirm that beginning in 2020 Usui International Corporation employees cannot obtain 90-day prescriptions of any medication from a retail pharmacy. This includes free preventative prescriptions.

Usui International Corporation now uses Express Scripts mail-order pharmacy to deliver long-term maintenance medicine and free preventative medicine to employees. Specialty drugs are limited to certain quantities and must be obtained from retail pharmacy or by mail from AllianceRx Walgreens Prime.

Insurance Company: Blue Cross Blue Shield of Michigan
Insurance Group ID: 71505
Pharmacy: Express Scrips mail-order pharmacy
Rx Claims/Rs Prior Authorization (providers only): 1-800-437-3803
RxBIN: 610014
RxGrp: BCBSMRX1

Program Information:

- Free home delivery from Express Scripts
- Up to 90-day supply of maintenance and preventative medicines
- Drug lists available at **bcbsm.com/drug lists**

Note: Short-term medication prescriptions, such as an antibiotic, can be filled at a local retail pharmacy.

If there are any questions or if additional assistance is needed, providers should call the **Rx Claims** number listed above. Members should call 1-877-790-2583 for Rx questions. Providers and Members may also call Michigan Planners, Inc. at 1-800-674-9235.

Kindest Regards,
Human Resources Department
