

Post Incident Drug Screening

Primary, 7 AM to 7PM:

TriHealth Occupational Medicine
3801 Hauck Road, Cincinnati, Ohio 45241
Ph: (513) 853-1040

The employee must be driven to this facility for testing during business hours.

After Hours, 7 PM to 7 AM:

ODACS (OnSite Drug & Alcohol Collection Service)
Reading, Ohio
Ph: (513) 268-5867

Call for after hours on sight testing immediately after an incident requiring testing has occurred. A technician will be dispatched to our SVP or WCP location to perform the required testing.

*Incidents involving powered industrial equipment, with or without equipment damage or injury, require operator drug and alcohol testing.
