Dental Coverage - Blue Dental PPO Plus
Effective Date: 01/01/2023
Benefits-at-a-glance

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Network access information - With Blue Dental PPO Plus, members can choose any licensed dentist anywhere. However, they'll save the most money when they choose a dentist who is a member of the Blue Dental PPO network.

Blue Dental PPO network - Blue Dental members have unmatched access to PPO dentists through the Blue Dental PPO network, which offers more than 130,000 dentist locations nationwide. PPO dentists agree to accept our approved amount as full payment for covered services - members pay only their applicable coinsurance and deductible amounts. Members also receive discounts on noncovered services when they use PPO dentists (in states where permitted by law). To find a PPO dentist near you, please visit mibluedentist.com or call **1-888-826-8152**.

A dentist location is any place a member can see a dentist to receive high-quality dental care. For example, one dentist practicing in two offices would be two dentist locations.

Blue Par SelectSM arrangement - Most non-PPO dentists accept our Blue Par Select arrangement, which means they participate with the Blues on a "per claim" basis. Members should ask their dentists if they participate with BCBSM before every treatment. Blue Par Select dentists accept our approved amount as full payment for covered services - members pay only applicable coinsurance and deductibles. To find a dentist who may participate with BCBSM, please visit mibluedentist.com.

Note: Members who go to non-participating dentists are responsible for any difference between our approved amount and the dentist's charge.
